Underlined numbers are new products. "Single-wide," "double-wide," "triple-wide" or "KATS" is the space allotment on a Kinesis belt. "lit" = volume of case in liters.

Prices subject to change. Current prices are found on our website. 30-day money-back policy.

Heavy-duty YKK® & imported (non-YKK) self-healing coil zippers are used throughout.

Case exteriors use DuPont Cordura® Plus fabric.

Cross-linked, closed-cell foam is utilized.

Hand-made in the USA.

The word kinesis is from the Greek and means motion. Our product line is designed for shooters on the move—editorial, location, outdoor/nature photographers and photojournalists.

KATS = Kinesis Attachment Tab System & is slowly replacing the TwinBuckle System on pouches.
